

ACBOC Health & Safety Policy

Name: Alresford Creek Boat Owners Cooperative

Address Ford Lane, Alresford

Review date: October 2019

Next review date: October 2020 (at the latest).

This document has been prepared in accordance with the provisions of the Health & Safety at Work etc. Act 1974 and the regulations made under it.

The Health and Safety Policy, is to provide and maintain, as far as reasonably practicable, safe working conditions, equipment, training, supervision, information and systems of work for all our members, employees, casual labour and voluntary helpers using our premises.

ACBOC will also endeavour to ensure, so far as is reasonably practicable, the health, safety and welfare of all contractors, visitors and others who may visit its premises.

The allocation of responsibilities for safety matters and the arrangements for implementation of the policy are included in our working practices documentation.

The policy will be kept up to date, particularly in the light of any changes to our premises, activities or national legislation which affect health and safety.

To ensure this, the policy and the way in which it has been implemented will be reviewed regularly (at least every three years and/or after any incident or change to premises or practices involving health and safety issues. Appropriate changes will be made to the policy and/or its implementation as required.

To ensure that Health & Safety matters are reviewed regularly, Health & Safety will be an item on the agenda of all meetings of the Directors, and sub committees where they exist and members, employees and voluntary workers will be consulted to seek their views on Health & Safety matters.
