Clacton Airshow

Unseasonable windy weather caused delays to the planned schedule. There were no brave souls at anchor. With 30Knots in the forecast it would have been a tad rolly!

Social Meetings

September saw 16 members at Wivenhoe for the September social. The next meeting will be on Monday October 7th at 20:00h. We hope to see you there.

An early notice for the upcoming AGM which will be held at Wivenhoe Sailing Club on Monday 4th of November. This is your chance to inform the future direction of the Co-op.

Shed news

Torro Loco, which was beyond economic repair, has been deconstructed. Much hard work is involved in the process as well as the cost of disposing of the debris.

The Cooperative relies on volunteers and tries to keep all costs to a minimum, the burden of an abandoned boat affects us all. Suggestions are welcome to ensure we remain an affordable way to enjoy active boating.

Moorings

The recent spell of unseasonably windy weather passed without major incident. Thanks go to those members who went down to check the boats in the creek. As the year progresses it is a good idea to make a few extra turns in the furling line to wrap the jib up tight.

Notices to mariners

Inspections taking place on the Colne barrier with floating pontoons reducing the width.
