The next meeting at Wivenhoe Sailing Club will be at 20:00 on Monday 7th September at Wivenhoe Sailing Club as usual, we hope to see you there.

Just a reminder there is no meeting in August as we hope you are all out on the water enjoying the balmy, or is it barmy, summer weather. If that has not jinxed the cruising season nothing will.

Cruise in Company

The Next cruise in company is the Walton Rally organised by the WRCA on July 11th & 12th. Applications were due by July 1st. Meal in Titchmarsh on the Saturday followed by a DIY BBQ on the Sunday for those not needing to catch the tide for an early return.

It is a while since I went up to the Backwaters so I had a practice run at the end of June. Perfect sail there with a broad reach in the gentle breeze. Not so the return, the Wallet lived up to its reputation. Strong wind against tide, never good, lots of green water over the coach roof in what proved to be a long and bouncy trip. At least I know my fuel additive is well mixed.

The following weekend, Sat July 18th is the trip to Heybridge Basin HW 16:21 (Heybridge) organised by ACBOC. There will be a table booked at the Jolly Sailor and it would be helpful if meals were booked soon after arrival. This event is always popular. Please let Stephen know if you plan to attend 07958 568375

Sunday August 2nd is the WSC cruiser regatta and the second day of the WOD weekend.

Shed news

It is very tempting to park cars on the hard standing in front of the sheds, please do not leave vehicles there unattended. Access may be required to use the tractor and boat storage space at the side. Please park on the lane alongside the sheds if you are leaving your vehicle.

Launching/Recovery

If you wish to make use of the tractor and/or are launching/recovering your boat at the creek it is important to ensure you have read and follow the policy linked below.

[ACBO-Tractor-Launch-and-Recovery-Policy-2019.pdf](#)

Moorings

With Summer in full swing there is an increase in vessels being launched at the creek. Although there have been no reported incidents, it is always worth a check to ensure all is secure.
